

**Fox's Charity Birthday!**

Sat 10th August at Bethania Adventure, Lake Vyrnwy.

Watersports, Face Painting, Games, Archery, Tombola, BBQ, Cakes and more!

All money made in aid of Alderhey Childrens Hospital who did amazing work for our son!

Fox our son was born in 2022 with a rare genetic disorder called Spinal Muscular Atrophy.

When diagnosed he was put under the care of AlderHey Childrens Hospital where he was receiving treatment.

At 5 1/2 weeks old Fox stopped breathing and was rushed back to AlderHey NICU where he passed away days later. Fox spent most of his short life in AlderHey and we will be forever grateful to everyone for all they did for our son.

Every year to honour Fox's birthday we will be doing a charity day at the lake where every penny made will be donated to AlderHey. This year's charity day will be on **Saturday August 10th from 10am until 9pm.**

We will be having late night opening, archery, bbq, stalls, raffle, face painting, games and more.

If anyone wants to help or get involved you are more than welcome to. Llanwddyn community means a lot to me (Kim) and his father Gareth and we thank you all for all your support with this event.

Here's hoping we have a great turn out!

Thank you
